Military Base Solutions

ReadySet®

The ReadySet® system is perfect for military bases where there are numerous repeatable doorways, quick installation is a necessity, and security and life-safety are of concern.

- + Patent pending integrated 2-piece frame
- + Quick installation saves labor time and cost, and makes scheduling easy and convenient
- + Entire opening preassembled and tested for functionality means no coordination of hardware components and fewer punch list items
- + Openings are complete and ready to use immediately – including electronic locks!
- + No special skills or tools required for installation, even for electrified openings
- + Each doorway can be installed in under 10 minutes, after all other construction is completed – including wall finishes and flooring installation
- + Reduced occurrence of damage to doorways means fewer touchups
- + Factory finished doors and frames
- + Frame has welded, mitered corners for aesthetic appeal and durability
- + Convenient ordering process and shipping schedule

A typical military complex has many repeatable doorways, including:

- + Barracks Dormitory Doors
- + School Classroom Doors
- + Office Doors, High Security

All ReadySet openings include components from industry-leading brands:

CECO DOOR	McKINNEY	SARGENT
CORBIN RUSSWIN	NORTON	SECURITRON
CURRIES	RIXSON	YALE
GRAHAM		

Openings are customizable to each military campus's needs. For complete ReadySet openings suited to your facilities:
