## ReadySet®

The ReadySet® system is perfect for office buildings and other commercial spaces where there are numerous repeatable doorways, quick installation is a necessity, and security and life-safety are of concern to the owner.

- + Patent pending integrated 2-piece frame
- + Quick installation saves labor time and cost, and makes scheduling easy and convenient
- + Entire opening preassembled and tested for functionality means no coordination of hardware components and fewer punch list items
- + Openings are complete and ready to use immediately so office space can be occupied sooner
- + No special skills or tools required for installation, even for electrified openings
- + Each doorway can be installed in under 10 minutes, after all other construction is completed – including wall finishes and flooring installation
- + Reduced occurrence of damage to doorways means fewer touchups
- + Factory finished doors and frames
- + Frame has welded, mitered corners for aesthetic appeal and durability
- + Convenient ordering process and shipping schedule

A typical office complex has many repeatable doorways:

- + Hallway to Office Entrances
- + Exterior Entrance/Exit Doorways
- + Access Control Doorways for Entering Secure Areas

All ReadySet openings include components from industry-leading brands:

CECO DOOR	McKINNEY	SARGENT
CORBIN RUSSWIN	NORTON	SECURITRON
CURRIES	RIXSON	YALE
GRAHAM		

Openings are customizable to each facility's needs. For complete ReadySet openings suited to your facility, contact your local ASSA ABLOY Door Security Solutions sales team or visit [www.readysetsystem.com](http://www.readysetsystem.com) or [www.assaabloydss.com](http://www.assaabloydss.com).
