

One Source. One Focus.™

ASSA ABLOY Door Security Solutions provides end-users with unsurpassed security and life-safety solutions, and the essential support services to ensure well-functioning doorway systems. This is all accomplished by combining the strengths of industry-leading door and hardware brands.

ASSA ABLOY

ReadySet® University Solutions

Door Security Solutions®

ElectroLynx®
As part of their promise to provide innovative, fast and effective, and higher security solutions to their customers, ASSA ABLOY Group companies offer ElectroLynx, a universal quick-connect system that simplifies the electrification of the door opening. ElectroLynx® is a registered trademark of ASSA ABLOY, Inc.

ReadySet®
As part of their promise to provide innovative, fast, and effective security solutions to their customers, ASSA ABLOY Group companies offer ReadySet preassembled doorways that can be installed in under 10 minutes. ReadySet® is a registered trademark of ASSA ABLOY Door Group, Inc.

LiteGuide™
As part of their promise to provide innovative solutions to their customers, ASSA ABLOY Group companies offer the LiteGuide system, a luminescent egress marking system. LiteGuide installation is facilitated by ASSA ABLOY's ElectroLynx, a universal quick-connect system that simplifies the electrification of the door. LiteGuide™ is a trademark of ASSA ABLOY, Inc.

MicroShield™
As part of its promise to provide innovative solutions to their customers, ASSA ABLOY Group companies offer the MicroShield technology, a silver-based antimicrobial coating designed to stem the spread of germs and bacteria. MicroShield™ is a trademark of the respective ASSA ABLOY Group company.

College and University Solutions

ReadySet®

The ReadySet® system is perfect for colleges and universities where there are numerous repeatable doorways, quick installation is necessary, and security and life-safety are of concern.

- + Patent pending integrated 2-piece frame
- + Quick installation saves labor time and cost, and makes scheduling easy and convenient
- + Entire opening preassembled and tested for functionality means no coordination of hardware components and fewer punch list items
- + Openings are complete and ready to use immediately – including electronic locks!
- + No special skills or tools required for installation, even for electrified openings
- + Each doorway can be installed in under 10 minutes, after all other construction is completed – including wall finishes and flooring installation
- + Reduced occurrence of damage to doorways means fewer touchups
- + Factory finished doors and frames
- + Frame has welded, mitered corners for aesthetic appeal and durability
- + Convenient ordering process and shipping schedule

A typical college or university campus has many repeatable doorways, including:

- + **Dormitory Doors**
- + **Laboratory/Classroom Doors**
- + **Auditorium/Lecture Hall Doors**

All ReadySet openings include components from industry-leading brands:

CECO DOOR	McKINNEY	SARGENT
CORBIN RUSSWIN	NORTON	SECURITRON
CURRIES	RIXSON	YALE
GRAHAM		

Openings are customizable to each campus's needs. For complete ReadySet openings suited to your school:

- + Contact your local ASSA ABLOY Door Security Solutions sales team
- + Ask for our college and university specialists
- + Visit www.readysystem.com or www.assaabloydss.com
